SHOW MANAGERS REPORT

Special thank you to Wayne Bandt and Ken Harris for running the Ron Norman Show in my absence.

Congratulations to Chris Murphy on finally getting the Lacewing Cock up to the top prize and a worthy winner he is. George England continues to leap ahead in leaps and bounds and is now pushing the top bench at every show. Congratulations to George England and Ken Harris on winning the Intermediate and Novice awards.

The second and third tickets issued by the stewards after judging seems to have been accepted and it has certainly taken the pressure off ticket writing. If anyone has any ideas which they would like introduced the show manager and committee would be more than happy to consider them.

The committee has listened and swapped the Ron Norman and Stan Watson shows so that we get more older birds on the show bench before the breeding season. The Stan Watson is now after the Logan Shield and National Show which makes the young birds older and cherry ripe for breeding.

With a bit more work the Show Manager should be up to speed with a new show entry computer system thanks to Wayne Bandt and Luke Jamieson.

We now concentrate on our breeding programs and I wish everyone the best as the combined NEBS/BSSA Interclub challenge is not far away. Let' keep the trophy in our cabinet.

Regards

Wayne Weidenhofer
