SHOW MANAGER'S REPORT – BSSA MURPHY CLASSIC – FUTURE CHAMPIONS SHOW

The change of format from a Novice only show to incorporate the Intermediate breeders created two shows in one. The name change was a worthy addition and well deserved. This would normally be a daunting task but with experience gained in the Ron Norman Annual/Brasea State Show the task at hand although busy was rewarding to see the show unfold.

Ten exhibitors with two cancellations due the health problems benching 160 entries out of 189 was a huge effort and something which the Intermediates and Novices greatly appreciated. To see Novice and Intermediate competitions side by side instead of being swallowed up by a main show

was a pleasure to experience. It gave them a day to be proud of with a quote, "I couldn't be happier and all the hard work has paid off and been rewarded". The concept created plenty of interest from visiting open breeders and from across the border.

With 2 Grand Champions and 2 Champions all sections qualified for Status movement points. A full complement of varieties were present and rewarded at presentation. A curve ball was thrown and it's a pity this show has moved beyond the BCSA rules but will be suitably addressed at a Council meeting with status movement points being awarded. The promotion of the fancy far outweighs the negativity.

With the amount of hours spent in preparation for this show to seeing everyone helping out on the day was fantastic. Thank you to John Mulley, Shiralee Reardon and Kerry Murphy for taking the time to judge, Chris Murphy and those behind the scenes and to Marie Murphy for the usual magnificent spread. The establishment of sponsors in Yankalilla Seeds and Elenbee Birds supplies helped promote the show and was very much appreciated again this year.

Congratulations to Wayne Bandt, George England, Paul Soul, Ian Jenke and Liddy Thomas for having birds on the top bench. George England and Wayne Bandt are setting the benchmark for everyone to chase in the Intermediate section and will be in the open section in the not too distant future. There was a high standard of exhibits on display and with promotion and relegation the club has become more balanced and stimulated in the exhibition of budgerigars.
