This format follows many breeders comments about birds not being able to be sold to the retail trade and successful sales in recent times.

If you have some quality birds better than pet shop standard and would like to sell them then this sale is for you. This sale is open to any member of any SA club in Open, Intermediate or Novice to have birds entered and sold straight out or by tender.

The sale will be open from 10.00 a.m. and will complete after lunch at 1.00 p.m.

Lot numbers and tender forms will be posted out and are to be affixed to the sales cages showing reserve price, ring no, variety, sex, etc. Buyers write their names with bids on the tender forms as the day progresses with minimum increments of \$5. Last completed bid written on the tender form at 1.00 pm wins the bird

The buyer then purchases the bird direct from the seller.
Seller issues a receipt so that the birds can leave the hall

Commission is \$2.00 per bird benched and payable to the club
Maximum of 2 birds per cage.

Seed to be supplied in the cages as per the show cages
