### **SHOW MANAGER'S REPORT – BSSA MURPHY CLASSIC – FUTURE CHAMPIONS SHOW**

The change of format from last year has again proved a success with more numbers being benched from the previous year. The enhancement of a computer run show had it's moments with the computer programmer Mr Wayne Bandt in control. Experience gained in running two shows with the Ron Norman Annual/Brasea State Show makes the task at hand busy but rewarding to see the show unfold.

Thirteen exhibitors with one cancellation due the health problems benching 195 entries out of 206 was a huge effort and something which the Intermediates and Novices greatly appreciated. To see Novice and Intermediate competitions side by side instead of being swallowed up by a main show was a pleasure to experience and gave them a day to be proud of. The concept created plenty of interest from visiting open breeders and from across the border.

The introduction of 40 sale birds generated plenty of interest from within and also from outside via Gum tree. These new faces were certainly jumped upon by club members showing plenty of hospitality towards potential new members.

With 2 Grand Champions and 2 Champions all sections qualified for Status movement points. A near full compliment of varieties were present and rewarded at presentation.

With the amount of hours spent in preparation for this show to seeing everyone helping out on the day was fantastic. Thank you to Glenn Stearnes and Kerry Murphy for taking the time to judge, Chris Murphy and those behind the scenes and to Marie Murphy for the usual magnificent spread.

The establishment of Avian Vitality as the Major Sponsor for this show together with sponsors in Yankalilla Seeds and Elenbee Birds supplies helped promote the show and was very much appreciated again this year. Warren Wilson from BRASEA also came on aboard with this new concept as did four other breeders from here and interstate which was very much appreciated.

Congratulations to Bob Deverson, Tracy Haskell, Wayne Bandt, George England & Sons, Paul Soul, Ian Jenke and Ken & Janet Harris for having birds on the top bench. Bob Deverson has joined George England and Wayne Bandt in setting the benchmark in the Intermediate section and will be in the open section in the not too distant future. Tracy Haskell proved she had a good breeding season the previous year. Paul Soul and Ian Jenke continue to be well represented in the Novice section and congratulations to Samantha MACBETH and Michael SLOPER on entering birds for the first time. There was a high standard of exhibits on display and with promotion and relegation the club has become more balanced and stimulated in the exhibition of budgerigars.
