Best Crested	Ian Jenke

SPECIAL AWARDS

Best Normal Visual Violet	Jim Butterworth
Best Greywing	J & W Weidenhofer
Best Golden Faced Blue	J & W Weidenhofer
Best Danish Recessive Pied	M & K Murphy

SHOW MANAGERS REPORT

The popularity of having swapped the shows around has again produced nearly three hundred entries and highlights the fact that the membership will exhibit their older birds and then have them available earlier for the breeding season. The Stan Watson is now after the Logan Shield and National Show which makes the young birds older but has lost some of its appeal because the premier young bird show results are known.

Congratulations to Dennis Lomman on benching the Grand Champion and Marie and Kerry Murphy on benching 4 other runners up. Good to see Michael Crossly and Jim Butterworth making up the top seven. Congratulations to Tracy Haskell and Michael Sloper on winning the Intermediate and Novice awards and picking up the Status movement points. .

Our Major award judge Peter Thurn was suitably impressed with the high standard of birds benched but was critical on the preparation of several of the birds who could have finished higher up with a bit of work. He commented that the Hens were stronger than the Cock birds.

He congratulated the Intermediate breeder Tracy Haskell and Novice breeder Michael Sloper and said that there were some strong birds being bred in those sections.

Thank you to the judges and stewards for making the day run smoothly and once again Marie Murphy has provided the membership with a magnificent lunch. Well worth \$5.00 and more.

The computer show programme is now on line and fully functional due to a big commitment by our computer programmer Wayne Bandt. The programme will be easy for anyone to operate.

We have for the first time had Wayne Bandt and George England as Aspiring judges and Ken Harris as a Probationary judge judging under supervision on the floor. They have enjoyed their time, gained valued experience and have been invited to judge at the NEBS shows.

We now concentrate on the Stan Watson show and our breeding programs. I wish everyone all the best as the combined NEBS/BSSA Interclub challenge is not far away.

Regards

Wayne Weidenhofer
BSSA Show Manager
