SHOW MANAGERS REPORT

The popularity of having swapped the shows around has again produced nearly three hundred entries and highlights the fact that the membership will exhibit their older birds and then have them available earlier for the breeding season. The Stan Watson is now after the Logan Shield and National Show which makes the young birds older but has lost some of its appeal because the premier young bird show results are known.

Congratulations to Marie and Kerry Murphy on benching the Grand Champion with Ken and Janet Harris and Jim Butterworth benching two each in the top seven. Congratulations to Ken and Janet Harris and Paul Wilton on winning the Intermediate and Novice awards and picking up the Status movement points. Extremely pleasing to see Paul Wilton benching the champion in the Novice section.

Our Major award judge Rex Stevens was suitably impressed with the high standard of birds benched when critiquing the winners.

He congratulated the Intermediate breeder Ken and Janet Harris and Novice breeders Paul Wilton and Michael Sloper. He said that there were some strong birds being bred in those sections.

Thank you to the judges and stewards for making the day run smoothly and once again Marie Murphy has provided the membership with a magnificent lunch. Well worth \$5.00 and more.

The show entry form is on line and fully functional due to a big commitment by our computer programmer Wayne Bandt.

We had Wayne Bandt and George England as Aspiring judges and Ken Harris as a Probationary judge judging under supervision on the floor. They have enjoyed their time and gained valued experience judging with a variety of judges from here and interstate.

I wish everyone all the best as we now concentrate on the Stan Watson show and our breeding programs.

Regards

Wayne Weidenhofer
