## SHOW MANAGERS REPORT

The Stan Watson Breeders Show was down on numbers with only 185 entries which was due to members having other commitments.

Once again thank you to all the membership for a truly magnificent effort which resulted in a successful and busy show. The Show manager excused himself for two hours because he left the trophies home.

Congratulations to the top seven place winners with some new names in Paul Soul, George England & Sons and Wayne Bandt making up the positions which is excellent to see. The Grand Champion was an outstanding budgie for the variety which Kelwyn Kakoschke made comments on. Congratulations to the Intermediate breeder Paul Soul and Novice breeder Michael Sloper who continually bench outstanding birds.

The awards were evenly spread around this year and congratulations to all the other award winners but I think everyone was a winner with the objectives of the BSSA being met to a high standard. With promotion and relegation the club has become more balanced with a more even competition and stimulation in all sections. The Novice section was light on in this show and encouragement needs to be made towards our Novice members to exhibit.

The tender sale concept has been welcomed with open arms and is creating a lot of interest and will continue into the new year. These prices are more realistic than some of the Victorian auctions this year.

The busy time is finally coming to an end with the breeding season now in full swing in most parts of the State. The exhibits for this young bird show were a little down but I guess the pre selection for the Nationals is where the acknowledgement is recognised.
