STEPHEN ELLIOTT TROPHY

Best Normal Spangle M & K Murphy

GEOFF SMITH TROPHY

Best Dominant Pied J & W Weidenhofer

MARIE & KERRY MURPHY TROPHY

Best Danish Recessive Pied M & K Murphy

SHOW MANAGERS REPORT

The Stan Watson Breeders Show has slowly been reducing in the number of exhibits entered for a period of time with only 167 entries benched. This was due to members having other commitments and being the last show the interest has waned since the National ANBC show has concluded. The committee will need you address this issue by rescheduling the show in front of the National Show to rekindle the interest.

Once again thank you to all the membership for a truly magnificent effort which resulted in a successful and busy show.

Congratulations to the top seven place winners with Sue Adams benching two which is excellent to see. The Grand Champion was an outstanding Clearbody for the variety which Ian Marshall made comment on. Congratulations to Intermediate breeder Paul Soul who continually benches outstanding birds and Novice breeder Jonathan Trubshaw who is a big improver with an outstanding Normal Skyblue Cock. He was so excited that all of England read about it on Facebook.

The awards were evenly spread around this year and congratulations to all the other award winners but I think everyone was a winner with the objectives of the BSSA being met to a high standard. With promotion and relegation the club has become more balanced with a more even competition and stimulation in all sections. The Novice section was light on in this show and encouragement needs to be made towards our Novice members to exhibit.

The tender sale concept has been welcomed with open arms and is creating a lot of interest and will continue into the new year. These prices are more realistic than some of the auctions this year.

The busy time is finally coming to an end with the breeding season now in full swing in most parts of the State. All the best with the breeding season and let's see some outstanding UBC birds at the Nest Feather Challenge.
